# How do I add the BoxCast app to my Amazon Fire streaming device?

1. Navigate to the home screen of your Fire TV device.
2. Press left on the directional pad to enter the search section
3. Use the directional pad to type 'BoxCast.'

4. Locate the 'BoxCast' app and press the button in the center of the directional keypad to select it.
5. With Get selected, press the button in the center of the directional keypad to download the app.
6. Wait for the app to download and then launch it.
7. The first time you launch the app search for 'Bethel Lutheran Church'
   1. If there are more than one, select the one with the picture of Bethel
   2. Launch the Bethel stream.
8. If you wish, you can 'Add to Favorites'
9. Select the desired stream (e.g., 'LIVE' or one of the previously recorded streams)
